# WHY ROAD LESS TRAVELLED?

There are plenty of excellent travel blogs out there. There's a lot of adventurers armed with Go Pros who have made travel their life and create great blogs capturing their experiences. So why Road Less Travelled? What makes Ben's work different?

Ben is not simply a blogger and Road Less Travelled not simply a blog. He is a creative and talented artist capable of bringing together the craft of writing and the art of photography in a way that blends seamlessly creating an immersive experience for the reader. His work isn't simply a guide about 'where to stay' and 'how much' things cost. Road Less Travelled is experiential travel. Ben writes and photographs in such a way that the reader gains an emotional and sensory experience of a destination, concept or idea without needing to travel anywhere. Of course, his work still has all the details that help people make the right decisions when travelling the globe however, it's much more than that.

Ben's experience in psychology and philosophy give him an ability to articulate his experiences in an incredibly vivid and unique way. It's this journey of story-telling and imagery that takes readers away and this is what makes Road Less Travelled so unique.

So, stray off the well-trodden path, and take the Road Less Travelled. *I did and that has made all the difference - Ben Farrell*
